START

IMPORTANCE of THE LOCATION

IMPORTANCE of THE LOCATION

IMPORTANCE of THE LOCATION

on the west side of the Sinai Peninsula

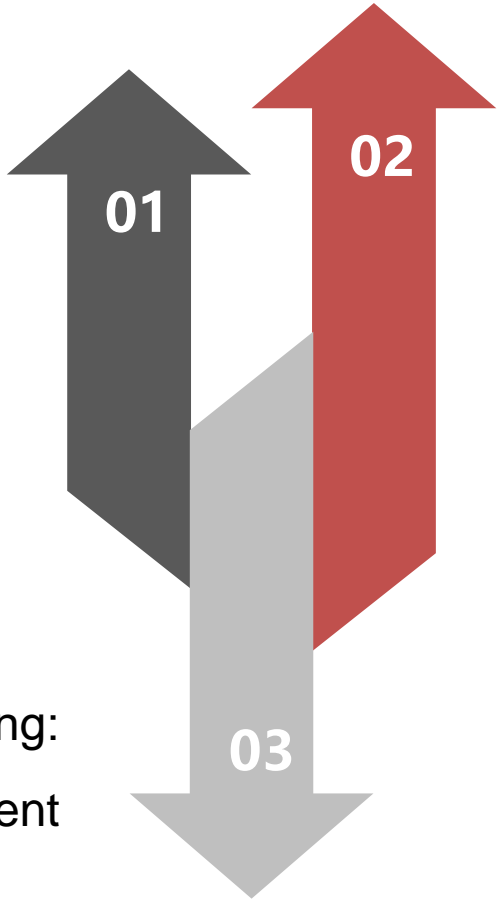

ships can travel from the Atlantic
to the Indian Ocean

IMPORTANCE of THE LOCATION

Managed by
Suez Canal Authority

"Tolls" of canal shuttling:
revenue for the Egyptian government

1.2 billion metric tons of freight
= 12% of the global trade volume

02

START

REASONS

REASONS

Turn around

Sedimentation

the heavy weight of the cargo ship leads to a large draft

sandstorm

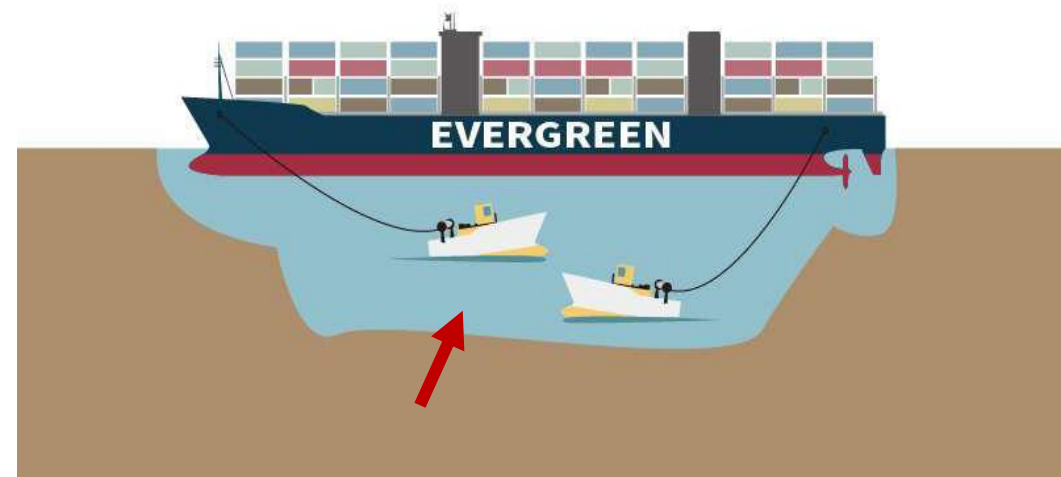

03

START

SOLUTION

SOLUTION

Dredgers *2

Excavators *4

Tugboats *9

SOLUTION

1

waited the sea to high tide

2

reopened the old channel

04

START

INFLUENCE

INFLUENCE

“ The energy transportation is controlled by the Suez Canal

“

The global supply chain gets worse

05

START

FOLLOWING

3 FOLLOWING

About the subsequent voyage of this ship

Have to conduct a ship's seaworthiness
inspection and make necessary
adjustments.
