

Brief 1

Presentation aim

The aim of the first presentation is to:

- Review vocabulary for presentations and equipment that we have learned so far
- Review the structure of the introduction

Guidelines

Please note in class we *will not* be use Canva. Why? This software limits users from *thinking about designing communication*. Instead, for now, use Microsoft Powerpoint.

Upload your presentation to the cloud folder. This means we can easily move from group to group.

Audience

The audience for this presentation are classmates.

Equipment

You will have an LCD projector, presentation mouse, black board, and microphone (if you want to use it).
