Presentation on Deloitte

Great start - all is nice and clear
Please mute your phone

Don't forget to smile!

Points are good, and clear – intonation is working well

Reduce the number of words on the slide where possible.

Yes – animation

Now Sophie will continue the presentation

Animation is good – a little out of sync with what you are saying

Service is this global or Taiwan?

Last part – visit – think of the purpose – this part does not fit with your presentation!
