Presentation on Eslite Books

last for eight minutes (s) (getting more of the introduction :)

Don't forget the phone

1.6Bn – is that Taiwan dollars?

On the introduction slide – there were no words – a technical problem?

Reduce the words on the slide

Wine cellar – I did not know that :D

Ellie will now continue the presentation

Business places – that central “overseas” square seems to be in the sea!

I have four points – I see lots of words! Separate into four and . . .
animate!

Ah – now I've got it – Eslite is know for four main things

First, . . .
