

The introduction is kind of there – but check – rules?

Good – few words on the slide – makes it easy to follow

Signal – e.g., as move out of the agenda, “To begin with, Domestic and ...”

Let Jason move to the slide he is going to talk about

ANIMATE

First – I’m hearing a signal

Next is Nigeria – Second, Nigeria (do not mix signals – next / first)

Add a few bullet points on advantages of each country to support what you are saying here

Watch for the dancing hand

Closing signal – so that wraps up . . .

There is a weird icon – a pink lady with a supermarket cart!

Advantages ... (add more words)

First . . . / Second . . . /

Slide is horrible here – weird icons – now a weird chain!

Next Aria will continue the presentation . . . but BEFORE

Need closing signal

Summary – you need a slide for this
