

Dr. James Stanworth

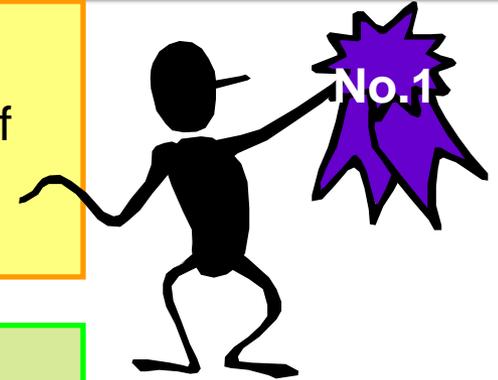

Class grading

What does a grade *mean*...?

90+%

Distinction - Outstanding

Theory & practice combined. Critique of theory. Additional reading & work.
Everyone goes "Wow!"

80 - 90%

Merit

Theory understood. Theory combined to practice. Relevant examples included.
Additional reading/work.

70 - 80%

Pass

Understand theory – some gaps
Reading complete

70% >

Fail

Little / no understanding of theory
Lack of understanding of basic ideas

Notes

- Grades are nice – but assignments are learning opportunities.
- Grades reflect your tangible output.
- Absence leads to a *zero* grade for that assignment.
- Please discuss if you have to be absent.
- Assessment criterion are given in the project briefs.
- Please discuss your grade or feedback if it is not clear.
- Within groups grades vary. This is a result of individual and group assessment.
